EXECUTIVE SUMMARY:

AI & Data Science Engineer specializing in Agentic AI and LLM Orchestration. Expert in Python, n8n, and RAG, delivering real-world solutions like WhatsApp health bots and automated tasks. SIH Grand Finalist with a focus on high-impact healthcare automation and industrial-grade Gen AI implementation.

SKILLS:

- Antigravity (IDE), VS Code
- N8N
- AI Studio
- GitHub
- IBM Cloud
- Microsoft Azure

Tools:

- Agentic AI
- Gen AI
- Full Stack Development
- Machine Learning
- Python Programming
- Java Programming

EXPERIENCE:

Dec 2025
Smart India Hackathon (SIH) 2025

Grand Finale Finalist | Backend & Automation Team Member

- Tech Stack: n8n, APIs, LLMs
- Built an AI-powered WhatsApp healthcare assistant using n8n, APIs, and LLMs
- Enabled symptom guidance, alerts, caregiver notifications, and automated workflows
- Github: HEALTHMATE

Jan 2026 – Feb 2026
ML Pipeline | Remote

MICROSOFT ELEVATE [AICTE]

- Tech Stack: SVM, IBM Cloud, LLMs
- Built a 98%+ accurate SVM digit classifier with a complete ML pipeline and visualization dashboard
- Developed AI/ML solutions on IBM Cloud with deployment
- Github: DIGIT RECOGNIZER

July 2025 – Aug 2025
AI Skills Development (Remote)

IBM SKILL BUILD [AICTE]

- Tech Stack: HTML, CSS, JavaScript
- Completed internship with exposure to web development fundamentals
- Learned front-end workflow and improved coding skills through tasks
- Github: COLLEGE ADMISSION AGENT

PROJECTS:

CuraBot - AN Agentic AI multi-agent system

- Tech Stack: LangGraph, RAG (ChromaDB, PubMed), LLMs, Supabase
- Built CuraBot, an agentic AI healthcare system
- Enabled multi-agent triage, disease matching, and persistent patient memory

SHOP.AI - AI Intelligent Comparison ChatBot

- Tech Stack: Python, Matplotlib
- Developed a crowd density analysis system using Python functions and data processing
- Visualized high-risk zones to enable safer crowd monitoring and management

CERTIFICATION / ACHIVEMENTS:

- Smart India Hackathon (SIH) 2025 – Grand Finale Finalist | Ministry of Education,
- NPTEL Certification in JAVA Programming (Got Silver Medal)
- NPTEL Certification in INTRO TO LLM
- AICTE Learnathon Certification

EDUCATION:

B.Tech – Artificial Intelligence & Data Science

- CGPA:8.5 | Dhanalakshmi SrinivasanEngineering College (Autonomous), Perambalur

SSLC – 100% (All Pass) | HSC – 82.5%

- Bishop Heber Hr Sec School, Tiruchirapalli
